Employment

Nordstrom Product Group
Production Artist

Oct. 2012 - Present
Seattle | WA

As the sole production artist in a fast-paced, deadline driven environment I managed and completed the release, approvals, and color standards for over 50 of Nordstrom's internal brands. I also informed and helped designers execute vendor requirements and provided technical insight to project managers who worked with international and domestic vendors.

Advanced Labels Northwest
Prepress Production Artist

June 2010 - Oct. 2012
Lynnwood | WA

Prepared customer and in-house files for industrial printing. Managed department schedule to keep preflights, proofs, and plate releases on track. Advised account managers and production team on material or process issues, or anything that could negatively effect the customer's experience.

Signs by Tomorrow
Sr. Designer | Production Artist

Mar. 2009 - June 2010
Bellingham | WA

Prepared files for large format printing. Worked directly with on-site printing staff. Received promotion to senior designer three months after becoming a full time employee, and took over as sole designer soon after.

Kendall Ross Brand Development + Design
Intern

July 2008 - Nov. 2008
Seattle | WA

Provided administrative and design services. Worked with design team and local vendors to produce packaging for public distribution.
